

NEW/OUTPLACEMENT “EXECUTIVE”

New impetus for your career

You want to continue your career in top management.

You will seize the opportunity to shuffle the cards of your career and tailor it to your potential and your needs.

Program content and goals (additional to the New/Outplacement)

We have executive experience. We develop a strategy with you, advise you on its implementation and act as a sparring partner so you can achieve your ambitious goals. The Executive New/Outplacement builds on the "New/Outplacement Program" and includes additional attractive benefits.

- Two Executive Consultants
- Own office
- Secretariat
- In-depth assessment/potential analysis
- Communication and leadership training
- Personal branding
- Presentation and appearance (including video recordings)
- Negotiating strategy/tactics
- First consultation with a lawyer and/or trustee when founding your own company
- Health Management

You may participate in all our input-events and workshops.
